- "WILD SIDE" (The Perfume Burned His Eyes) by Michael IMPERIOLI and Published by Autrement Editions. In addition, he also wrote a Number of Episodes for "The Sopranos".

"Wild Side" is a Novel where the Hero gets to be Best Friend with Lou Reed reminding me of the Song "Walk on the Wild Side" of the latter. This Famous Song was from his Second Solo Album (Transformer -1972). It was produced by David Bowie and Mick Ronson, and released as a Double A-side with "Perfect Day". The Song received Wide Radio Coverage, despite its touching on Taboo Topics such as Transgender People, Drugs, Male Prostitution, and Oral Sex. Lou Reed (March 2, 1942 - October 27, 2013) was an American Musician, Singer and Songwriter. He was the Lead Guitarist, Singer and Principal Songwriter for the Rock Band the "Velvet Underground" and also had a Solo Career that spanned Five Decades. The "Velvet Underground" achieved Little Commercial Success during their Existence, but are now regarded as One of the Most Influential Bands in the History of Underground and Alternative Rock Music.

Michael Imperioli is turning his Old Relationship with Lou Reed into a Novel, him being a Huge Fan as he claimed before "Lou is my Hero, basically, out of Anybody." and Lou Reed who was apparently a Big Sopranos Fan... The Story starts with a 16-Year-Old Boy named Matthew who's just lost his Father. After his Mother uproots them to move from Queens to a Fancy Apartment Building in Manhattan, Matthew discovers he's now Neighbors with Lou Reed and his Transgender Lover named Rachel.... The Music Legend becomes a Substitute Father-Figure and Mentor...

- "LA RIPOSTE - LES MIROIRS AUX ALOUETTES" (The Response - The Smokescreens) by Philippe MEIRIEU and Published by Autrement Editions. Activist, the Author is militating for a more fair Education and capable of facing the Challenges of Tomorrow. He teaches Science of Education at Université Lumière-Lyon 2 (Lyon - France) and wrote several Books including "The Pleasure of Learning" (Autrement Editions, 2014) and "Letter To A Young Teacher" (ESF Science Humaines, 2016).

The Book goes through Questions the Author is asking himself such as : To What type of Children do we want to teach ? For Which World ? How to make sure that Public Education fulfills its Promises of Justice and Solidarity ?... French Citizens have held, and still now, Widely Divergent Views on Issues related to Public Schools. Many of these have to do with the Methods by which we achieve an Educated Society. How do we ensure that our Schools are accessible to All Children ? By what means do we hold Students accountable for learning and Schools accountable for teaching them ? What is the Role of Families in the Education of their Children ? What is the Responsibility of Schools in addressing Social Issues that affect their Students ? What is the most efficient and fair Way to fund Public Education ?

The Main Missions should be to :

- \* Prepare Students to be Successful in the Workplace
- \* Prepare Students to be Active and Responsible Citizens
- \* Help Students Discover and Develop their Talents
